FABULOUS FINDS FOR YOU & YOUR TOT

- **No more spills (Taken from *Tot Trends Weekly*, July 16, 2006):**
 - "Prevent ice cream spills and popsicle drips with the Dripstick. Designed by a mom of five little ones, the Dripstick was created to eliminate the clean up that comes from summer time treats..."

The Daily Stroll.....

- **No More Drips (taken from *The Daily Stroll*, July 14, 2006)**
 - "To me, ice cream was hardly worth the trouble when I was younger. I preferred a piece of cake or a brownie. Something with a good grip. I was always the kid with the ice cream that went splat. If I got any, I had to get it in a bowl for fear of the splat factor. Leave it to a mother of five young kids to help cure the world of the splat factor..."
